Montessori Academy of Cincinnati's
academic programs, we invite you to attend our
Prospective Parent Information Meetings.
(Adults only)

KINDERGARTEN

Thursday, January 26, 2012
7:00-9:00 pm

Learn about our Kindergarten curriculum in the Montessori classroom and the Kindergarten Enrichment program, and hear from parents of previous Kindergarteners. The topics of "Kindergarten Readiness" and "Acceleration" will also be addressed.

UPPER ELEMENTARY (4TH-5TH)

Thursday, February 9, 2012
7:00-9:00 pm

Learn about the expanding curriculum in the Upper Elementary program and how it continues to meet your child's educational needs—providing concrete materials to learn abstract concepts, exciting projects to support learning in Cultural areas (history, geography, science), and a continued ability to move at his/her own pace, providing opportunities for Acceleration. Students will be available to answer questions and give you insight into their perspective of this wonderful program.

LOWER ELEMENTARY (1ST-3RD)

Thursday, February 2, 2012
7:00-9:00 pm

Learn about how our Montessori Education continues to grow, expand, and meet your student's educational needs in our Lower Elementary program. We plan to have students available to answer questions and give you insight into their perspective of this wonderful program.

MIDDLE SCHOOL (6TH-8TH)

Thursday, February 16, 2012
7:00-9:00 pm

Learn about the exciting curriculum, continued opportunities for Acceleration, and increased emphasis on becoming an independent, responsible learner! We will explain the value of your child's continuing Montessori education in a small setting versus a large setting and "brag" about the success of our graduates. Current students will be available to answer your questions and share their experiences.
